

Whether you're just passing through town, or live nearby in sunny Southern California, come by and say hello!

Jimmy and Maria Kypreos started their career in the restaurant industry over 40 years ago and have turned their dream of owning a restaurant into a great success! Grand Burger opened its doors in January 1991 with this goal in mind: to make great tasting food fast without compromising quality, flavor, or service. Food is prepared fresh daily with recipes that have been in the family business since opening day. The delicious Mexican food is seasoned to perfection and served with homemade salsa made from the freshest ingredients. Our famous burgers, delicious breakfast burritos, and crispy zucchini and onion rings are just a few more of the crowd favorites. When you walk in the door it isn't rare to see Jimmy, Maria, or one of their children and grandchildren chatting with longtime customers and employees. As a family owned and operated business, we understand the importance of community and love giving back whenever possible.
